FreeStyle Freedom Lite® Blood Glucose Monitoring System

If you like things simple, you'll love the easy-to-read, easy-to-hold FreeStyle Freedom Lite® system. With a new ergonomic shape and large numeric display, the FreeStyle Freedom Lite system is ideal for those looking for simple and accurate testing. The FreeStyle Freedom Lite meter uses only FreeStyle Lite test strips.

- Large, easy-to-read numeric display
- Easy to hold, simple to use
- No coding, means one less step
- World's smallest sample size (0.3 uL)
- Fast, 5-second average test time

Simple. Accurate. FreeStyle Freedom Lite®.
